

2022 Art & Culture Grant – New Applicants

In an attempt to resume PCF's normal operations as our capacity allows, and to more fully support the Philadelphia arts sector, this year PCF will accept new applications which we were unable to do in FY21. This will allow organizations that were not in the 2020 funding cycle for whatever reason to apply for a one-year general operating grant and not be prevented from receiving city support through PCF for two consecutive years. Because of the difficulties of the pandemic, we will use a streamlined process that will minimize the amount of time and effort for applicants to qualify for funding.

The application has been modified. There will be no panels or site visits. PCF staff will review the modified applications. Applicant organizations do not request a specific grant amount (as usual); grant amounts will be determined through the use of a modified funding formula that takes into consideration the operating budget of the organization. Organizations that received a 2020 Art & Culture Grant **should not** submit an application to be considered for a grant.

Eligibility Requirements

An applicant organization must:

1. Have an **Average Budget below \$800,000** as shown on the organization's current (meaning up to date) SMU|DataArts Philadelphia Cultural Fund (PCF) Funder Report.
2. Have a mission that is dedicated to art and culture. Art and culture is defined as creating, preserving and/or exhibiting visual, literary and performing arts, architecture, science, history and the humanities. Non-art and culture organizations that operate an art and culture program are not eligible.
3. Have its official place of business in the City of Philadelphia as demonstrated by the address on latest 990 filing, SMU|DataArts PCF Funder Report, website, letterhead, and printed public materials. The address of a staff member, board member, volunteer, or that of a fiscal sponsor/parent organization, unless the official address of the organization, will not be accepted.
4. Be incorporated as a 501 (c) (3) non-profit in good standing *OR* has contracted with a fiscal sponsor/parent organization that has been pre-approved by the Philadelphia Cultural Fund. Unincorporated organizations, such as LLCs, regardless of size, may apply using a fiscal sponsor/parent organization if they can demonstrate that their organization has a mission dedicated to art and culture and meets all other criteria.
5. Present at least 60% of its programming in the City of Philadelphia, thus demonstrating a commitment to provide art and culture to the residents of the City of Philadelphia. Note: While the pandemic has had a profound impact on how programming has been and can be presented, the primary audience/community served, by whatever means, must be the residents of the City of Philadelphia.
6. Have at least 60% of its current operating budget devoted to art and culture.
7. Have programs accessible to the public (provided for a charge or free). Example of ineligible programming: a private library collection of valuable documents not open to the public for study or research.

8. **Have conducted public programming (in person or virtually) for at least one year.**
9. Have a Governing body. If a 501 (c) (3) organization, has a board of directors; if contracted with a pre-approved fiscal sponsor/parent organization, has an advisory group, such as an advisory council, board or committee that oversees the operations of the organization.
10. Have non-discriminatory employment and personnel practices.
11. Have three or more people that share organizational responsibilities (paid or unpaid).
12. Have at least one person responsible for ensuring programmatic and fiscal accountability.
13. Have the capacity to carry out its intended programming goals through the support of staff, board, advisors and/or volunteers (paid or unpaid).
14. Have a plan or planning process that demonstrates how the organization will achieve its stated mission and vision.
15. Be in compliance with all applicable laws, rules and regulations including, without limitation, those of the IRS and the Commonwealth of PA.
16. Have appropriately filed financial statements that are completed within one year of filing the 990 tax return, if required (including 990-EZ). The PA Department of State's Bureau of Corporations and Charitable Organizations requires organizations with gross annual contributions of \$750,000 or more to file audited financial statements. For more detailed information about filing requirements go to:
<http://www.dos.pa.gov/BusinessCharities/Charities/Resources/Pages/Information-for-Charitable-Organizations.aspx>
17. Complete and submit a SMU|DataArts Philadelphia Cultural Fund Funder Report. All applicant organizations are required to provide a current PCF Funder Report representing the organization's operational and program data with their application. See *About the Required SMU|DataArts Philadelphia Cultural Fund Funder Report* in the Application Tools.

The following are not eligible for Philadelphia Cultural Fund grants:

- Individual artists
- Sole proprietorships or other groups that are neither a 501 (c)(3) corporation or operating under contract with a fiscal sponsor/parent organization that has not been pre-approved by the Philadelphia Cultural Fund.
- Religious institutions
- Agencies and departments of city, state and federal governments
- Elementary or secondary schools, public, charter or private
- Colleges and universities, with some exceptions (please speak to Cultural Fund staff before applying). Example exception: *an art gallery or performance venue housed within a university that has robust public arts programming, designated staff, an advisory board, discrete budgeting, etc.* When eligible, only the budget for the public arts and culture programming (not the budget of the umbrella/parent institution) will be considered for grant amount purposes.
- Organizations that are a line item allocation in the City's 2022 General Operating Budget **OR** have received unrestricted monies, pledges or commitment of monies from any City department in excess of \$10,000, cumulatively, between October 1, 2020 and September 30, 2021. Illuminate the Arts Grants do not apply.

2022 Art & Culture Regrant Program (invitation only)

With funding not fully restored, PCF will again, as in 2021, provide grants to a portion of the organizations that received a grant in 2020. Grants will be given to organizations whose missions are focused on Arts and Culture (those that received a 2020 general operating grant). PCF will focus the 2022 grants on small/mid-sized organizations where the impact of PCF funds could be greatest: those who most likely have less access to revenue sources such as foundation grants and are most threatened.

The 2020 grant recipients will be the pool from which 2022 grants will be considered for funding, regardless of where they are in the multi-year cycle or if they are New & Emerging organizations that ordinarily apply annually. Grants will be determined by the average operating budget as represented in the PCF Funder Report submitted by all grantees to qualify for their 2020 grant. The time period captured in those Funder Reports reflect operations pre-pandemic, which settled in just as we awarded our grants in March, 2020. We will in essence extend the 2020 grant for a one-year period. By moving forward in this way, the 2022 grant amount will be based on the organization's 2020 grant that utilized a funding formula and peer panel scores that are a key element of PCF's participatory grantmaking.
